

# HOTEL BÁVARO PRINCESS SOLIDARITY ACTIONS 2018

January

## CHRISTMAS TREE OF DREAMS, DONATION OF TOYS

We went to the Princess hotels together to the community of Matamosquitos to give the children toys. The toys were donated by customers, employees or the company itself.

The activity went smoothly, with games and snacks for the little ones who were very excited about the gifts.

February

## PLANTING THE TREE

Together, collaborators and clients, we proceeded to plant some trees in our hotel, as an ecological action that helps to raise awareness of the importance of our nature.

March

## WATER DAY

Taking advantage of our authentic Dominican mangrove, a tribute was paid to the importance of this natural resource.

April

## EARTH DAY

Celebrating with our customers such an important day we join the message of taking care of our planet, with different activities and games allusive.

May

## MOTHERS EDUCATORS AND TRAINERS

Looking for the personal growth of the collaborators of the hotel, an interesting course was given to raise awareness of importance in the education of the mothers, so that our workers, besides looking for their growth, help and also collaborate in the growth of those who make up their home.

July

## FAIR OF SCHOOL SUPPLIES

Our human resources department facilitated and helped in the acquisition of school materials for our collaborators, thus seeking to promote the importance of studies and teaching.

# HOTEL BÁVARO PRINCESS SOLIDARITY ACTIONS 2018

## August HEALTH DAYS

For free, our collaborators were able to get medical check-ups, vaccination campaigns, weight and tension control, as well as health advice and advice

## November MAMMOGRAPHY OPERATING

A free mammography operation was performed for all the women who work at Princess hotels, who wanted it.

## All year: BEACH CLEANING DAYS

Periodically and throughout the year, different teams of hotel employees help in the cleaning of our coast, to raise awareness of the importance of environmental care. Cleaning our community Also, looking for awareness of the neighborhood that surrounds us, garbage bins were installed in the vicinity of the hotel to invite neighbors to not throw the garbage on the ground

## September DONATION OF SCHOOL SUPPLIES

Once again, Princess hotels of the Dominican Republic went to the community of Matamosquitos, this time to the public school, and with the aim of donating school supplies, it is the first campaign carried out with Pack for a Purpose. The activity went smoothly, after the delivery of supplies, teachers, our managers could share a few words with children and teachers, who appreciated the gesture by our employees, and the generosity of our customers and company.

## December CHRISTMAS TREE OF DREAMS:

We collected between the clients who decide to donate and the hotel toys to take them this time to a school in the community of Nisibón.

## AWARENESS AND ECOLOGICAL PERFORMANCE

Throughout the year we have reduced our use of plastics, and increased our recycled. The awareness campaigns are present in the hotel signage. We have also worked constantly in the professional and human development of our collaborators, with training courses and motivational and value talks.
