

# HOTELES CARIBE CLUB / TROPICAL PRINCESS SOLIDARITY ACTIONS 2018

January

## CHRISTMAS TREE OF DREAMS, DONATION OF TOYS

We went to the Princess hotels together to the community of Matamosquitos to give the children toys. The toys were donated by customers, employees or the company itself.

The activity went smoothly, with games and snacks for the little ones who were very excited about the gifts.

February

## INTERNATIONAL DAY MANGROVE CLEANING LAVACAMA BEACH.

We move out of the hotel to the Lavacama area (approximately 30 minutes away) with teams of volunteers trained by the hotel's collaborators, to help clean a natural and unspoiled beach in the area, to which, due to the currents get quite garbage.

June

## INTERNATIONAL ENVIRONMENT DAY CLEANING BEACH CCP

To pay tribute and join the international day of the environment, volunteer collaborators of the hotel came together to clean our beach, and be able to be aware of the waste that is dumped in it and then go to the sea.

In this activity we always invite customers who want to collaborate, for being able to generate awareness among them also about the consequences of the garbage that we do not throw away correctly.

With these activities we also remind the correct use of our garbage bins which are separated by the origin of the material to be discarded, and our plastic reduction project.

September

## PACK FOR A PURPOSE SCHOOL SUPPLIES DELIVERY

Once again, Princess hotels of the Dominican Republic went to the community of Matamosquitos, this time to the public school, and with the aim of donating school supplies, it is the first campaign carried out with Pack for a Purpose. The activity went smoothly, after the delivery of supplies, teachers, our managers could share a few words with children and teachers, who appreciated the gesture by our employees, and the generosity of our customers and company.

## WORLD DAY CLEANING COASTS - BEACH CLEANING CCP.

We like to join movements with a constructive message, that is why the World day of the cleaning of coasts, volunteer collaborators of the hotel joined a cleaning of our beach, to avoid that garbage goes or returns, to the sea.

This gesture, in addition to raising awareness among our employees, is also aimed at customers so they can realize and help us take care of the environment.

October

## INTERNATIONAL DAY FIGHT AGAINST BREAST CANCER - HIKE.

There was a walk around the hotel, through the gardens and to the beach, to show solidarity with the women who are going through this hard struggle and join the message of the importance of prevention.

November

## OPERATIVE MAMMOGRAPHY

A free mammography operation was performed for all the women who work at Princess hotels, who wanted it.

December

## TREE OF ILLUSION:

We collected between the clients who decide to donate and the hotel people, toys to take them this time to a school in the community of Nisibón.

All year:

## AWARENESS AND ECOLOGICAL PERFORMANCE

Following our protocol and 360 program, the use of disposables was reduced throughout the year, maintaining the recycling system and ensuring a reasonable use of cleaning products. As well as training courses and training in both technical and human aspects, aimed at our employees so they can develop their work in optimal conditions, continue (or start) learning, and grow personally.
